# Athlete Tournament Registration Instructions

This site is new.  If you encounter any issues or have any questions when using this site please contact Jason Nester at 303 883 7490.

The website can take a 10 – 20 seconds to update from time to time.  Once you complete an action on the website, please give it a few seconds and wait for the update to occur. Otherwise you may make changes that catch up all at once.

Please follow the instructions below on how to register for a tournament on the website. These instructions will cover registering for a tournament.  Picking shooting time preferences, checking for squadding, and how to see the tournament leaderboard for your results once you have completed your shooting.

Log into the website.  Your main page should bring you to the tournaments, but if not, select the Tournaments dropdown menu and select Browse Tournaments.

Find the tournament you want to enter and select the Register button in the bottom right corner.

Hover over the tournament name and click on it and it should open a page showing your registration details.  Below you can see that presently you are not squadded yet.  Check back regularly to see what your shooting times were scheduled for you.  Either your coach or the tournament administrator will squad you no later than a day or two before the tournament.

Once you have been squadded you should see the details on your tournament registration page.  It should look like the below.  It will provide the following information:

1) your shooting time for each event,
2) the field you are shooting on,
3) what squad team you are on,
4) the division you are shooting in
5) and your shooting position in the squad

You will also notice the Leaderboard button.  Only athletes and coaches with logins can see tournament results.  During the tournament you can use the Leaderboard to check your scores against the other shooters in the tournament.  Just select the Leaderboard button to be taking to the scores.
